REPLY BRIEF TO DEFENDANTS' RESPONSE
PLAINTIFF'S SUPPLEMENTAL BRIEF FOR
MOTION TO COMPEL DISCOVERY

All the requested discovery is relevant. Plaintiff has yet to view any of the material despite the defendants' claim. Plaintiff has filed prison request slips to defendants' Nasuni and Wilks requesting access to the alleged discovery documents but has never received a response. None of the material plaintiff requested is sufficiently confidential or privileged to bar his access to it. His entire case hinges on the prison and parole record contents as well as policies concerning parole.

Therefore, the defendants should be required to comply with the requested discovery.

Dated: February 25, 2001

Respectfully submitted,
